At the FPC, visitors may not linger in the parking lot in front of the Administration Building. In addition, once a visitor enters the Visiting Room and begins a visit with an inmate, the visitor may not leave the area for any reason. If the visitor leaves the area prior to actually completing the visit, the visit will be terminated. There is no smoking by either inmates or visitors permitted. No visiting or picture-taking will occur on the patio.

In each visiting room, children of visitors are permitted to play in the designated area only under parental supervision. The children's play area is not for general adult visiting, only adults accompanying children can be in this area. Children five years of age and younger must be accompanied by a parent while in the children's play area. Children six years of age and above are not required to be accompanied by a parent; however, they must be under parental supervision (e.g., parents must be in an area of the Visiting Room that has direct visual contact with, and is adjacent to, the children's play area). Parents are responsible for children's behavior at all times. At the discretion of the Visiting Room Officer, parents may be asked to move into the children's play area in order to better supervise their children. If the child continues to be disruptive in the play area, the Visiting Room Officer will notify the parent and/or inmate to remove the child from the play area for the remainder of the visit. No food or beverages are allowed in the children's play area. Television viewing in this area is regulated by the Visiting Room Officer and is specifically intended for youth videos. The Visiting Room play area for children is equipped with toys for use by visitor's children. Playroom toys/games may be used at the tables at the Officer's discretion.

**C. Frequency of Visits and Number of Visitors**

**FMC:** No limitations are placed on the frequency of visits. However, the Warden may choose to limit the frequency and lengths of visits to avoid chronic overcrowding.

Three adult visitors (16 years of age or older) will be allowed to visit an inmate at one time. Exceptions to this limit may be requested through the Unit Team for the Warden's approval. There is no limit placed on the number of children visitors under the age of 16.

**LSCI:** Inmates will be allotted 12 visiting points per calendar month. The points used shall be dependent upon which day the visit occurs.

Inmates assigned to Vance and Durham housing units will visit the first and third weekend each month. For inmates assigned to Wake and Granville housing units, visiting shall be permitted the second and fourth weekend each month. The above schedule is for weekends only. During the normal weekday (Monday, Thursday and Friday) inmates in all housing units may receive visits. Fifth weekends will rotate between the two pairs of housing units. Visiting will be open to all inmates on days recognized as federal holidays.

Normally, only a total of five visitors (does not include children) will be allowed to visit an inmate at any given time. Allowance of more than five visitors must have prior approval from their respective Unit Manager.

**FCI:** Inmates will be allotted 16 visiting points per calendar month. The points used shall be dependent upon which day the visit occurs

Visits that occur on weekdays are counted as one(1) point, and visits that occur on weekends and holidays will count as four(4) points.

Proposed visitors who are 16 or 17 years of age and not accompanied by a parent, legal guardian or immediate family member at least 18 years of age must have the written approval of a parent, legal guardian or immediate family member at least 18 years of age prior to visitation. Additionally, visitors are prohibited from bringing animals on institution grounds unless the animal is a dog that assists disabled persons.

**FPC:** No limitations are placed on the frequency of visits. However, the Warden may choose to limit the frequency and lengths of visits to avoid chronic overcrowding.

Three adult visitors (16 years of age or older) will be allowed to visit an inmate at one time. Exceptions to this limit may be requested through the Unit Team for the Warden's approval. There is no limit placed on the number of children visitors under the age of 16.

#### **D. Visiting Restrictions**

Visiting privileges are normally curtailed or terminated because of an emergency, improper conduct on the part of the inmate or visitor(s), or when the visiting room becomes overly congested.

When the visiting room is overcrowded and has exceeded the occupancy level, the Visiting Room Officer, in conjunction with the Operations Lieutenant and/or Institution Duty Officer (IDO), will refer to the visiting records of the inmates present in the visiting room to determine early termination of visits.

Consideration will also be given to factors such as whether the visitor lives in the local area, frequency of visits, and the distance traveled by the visitor. All visitors living within a 50-mile radius will be among the first to be terminated.

If it becomes necessary to terminate a visit due to improper conduct on the part of an inmate and/or visitor(s), the Visiting Room Officer will consult the Operations Lieutenant and/or IDO prior to taking such action.

#### **E. Special Visits**

Special Visits: Inmates may submit requests for special visits to their Unit Team. These requests will state the specifics of the visit to include purpose, duration and visitor's identity. The Unit Team will verify the information supplied by the inmate and forward their recommendation to the Warden for approval. The Warden may authorize special visits for:

- (1) Clergy, former or prospective employers, sponsors and parole advisors.
- (2) Authorized visitors at other than regularly established visiting times.
- (3) Attorneys.

- (4) Pre-trial inmates to assist in protecting their business or in preparing for trial.

Special visits will ordinarily be scheduled during the normal business day or visiting hours. Special visits authorized during non-visiting hours will be supervised by Unit Team staff. The Unit Team will monitor the time and administrative expense incidental to arranging and supervising visits outside of the established visiting schedule.

**F. Visits to Inmates not in Regular Populations Status**

**1. Admission and Holdover Status** - Only immediate family members may visit inmates during the admission-orientation period or for inmates in holdover status where there is neither a visiting list from a transferring institution nor other verification of proposed visitors. In these instances, Unit Team staff will identify immediate family members by reviewing the Central File, and visitors will be approved and added to their visitation list by unit team within five working days.

Inmates which are housed in the Special Housing Unit in holdover status will visit as follows: Visiting days will be Monday, Thursday, and Friday. On Monday, Medium and High security inmates will visit from 9:00 am until 11:00 am and Low and Minimum security inmates will visit from 12:00 pm until 2:00 pm. On Thursday and Friday, Medium and High security inmates will visit from 2:30 pm until 5:00 pm and Low and Minimum security inmates will visit from 5:30 pm until 8:00 pm.

**2. Administrative Detention and Segregation Status**: Visitors for inmates housed in the Special Housing Unit, which is located at the LSCI, will be processed in accordance with the procedures identified in this Institution Supplement. The Front Lobby Officer will telephonically contact the SHU OIC and advise the officer of the visit. The SHU OIC will notify the Operations Lieutenant of all visits and advise him/her of any separation issues as described in this section.

Inmates who require separation will not be in the Visiting Room at the same time. The SHU OIC will ensure that this does not occur, based on his/her review of pertinent and relevant information maintained on each inmate in the Special Housing Unit.

All Special Housing Unit inmates and their visitors will sit in a designated area directly in front of the Visiting Room Officer's desk. The Outside Patio will not be utilized by Special Housing Unit inmates. The Front Lobby Officer will notify the Captain, Operations Lieutenant, and SIS Lieutenant of visits by all high security inmates.

### 3. Inpatient Visits

- (a) **Institution Hospital**: Requests, either initiated by the inmate or family members, to visit inmates housed in the inpatient area will be submitted to the Unit Team. Normally, only immediate family members will be allowed to visit inmates in the inpatient area.
- (b) **Community Hospital**: The Warden may approve visits for inmates hospitalized in the community. Normally, only immediate family members will be allowed to participate in these visits. Approved visits are subject to the general visiting policies of the community hospital.

**G. Preparation of Visiting List** - Preparation and maintenance of an inmate visiting lists will be the responsibility of the inmate's Correctional Counselor.

A total of 10 visitors will be authorized to an inmate's visiting list which does not include immediate family. Visiting privileges will ordinarily be extended to friends and associates having an established relationship prior to incarceration, unless such visits could reasonably create a threat to the security and good order of the institution. Inmates may request exceptions to the prior relationship rule through their Unit Team. Any exceptions to the rule require the Warden's approval.

All other procedures and necessary forms related to preparation of the inmate visiting are contained in P.S. 5267.07, Visiting Regulations.

Unit Staff will provide documentation to the Unit Manager showing reasoning for the denial of the visitor. The Unit Manager will provide the Warden with the documentation for his/her approval. Once the Warden approves the denial, Unit Staff will provide the inmate a Denial Notice including the reason for the denial.

**I. Notification to Visitors** - Staff shall make available to all visitors written guidelines (Attachment A) for visiting each institution at the complex. Staff will also ensure a Notification to Visitor form (BP-224) acknowledging the guidelines were provided and declaring that the visitor does not have any article in his/her possession with the visitor knows to be a threat to the security of the institution is signed by the inmate visitor. Visiting privileges will be denied for any visitor who refuses to make such a declaration.

**J. Record of Visit** - The Visiting Room Officer shall ensure that all visitors read and sign the "Notification to Visitor" (BP-224) form. The "Notification to Visitor" form will be utilized to ensure that all visiting is recorded and a file is maintained on all visitors. The "Notification to Visitor" form shall be completed by the visitor in the lobby. The Visiting Room Officer shall place the completed form in the inmate's visiting file and shall record the visit in the Visiting Room Log Book. Once the "Notification to Visitor" form is completed, all inmate visitors will print and sign the Inmate Visitor's Daily Log before entering the Visiting area.
